

Endura® Hydrate & Replenish*

Form: Powder
Flavor: Lemonade
Size: 30 Servings

Staying properly hydrated is essential to the athlete, whose exercise endurance and performance can depend on both fluid balance and key electrolytes. Hydrate with **Endura®**, a naturally flavored hydration powder containing a well-designed electrolyte profile to help support hydration and replenish electrolytes lost during exercise. Endura is formulated without artificial sweeteners or colors because we know what you put into your body—and what you don't—matters to you.*

- Formulated to help support fluid balance*
- When used as directed, delivers key electrolytes such as sodium and potassium to help replace those lost through sweating during exercise, activity, or hot weather conditions*
- Helps support hydration during exercise. Maintaining sufficient hydration aids exercise performance and endurance.*
- When used as directed, supplies 100 mg potassium and 150 mg of Sustamine® per serving to help support exercise performance*
