Features & Benefits

Artemisinin Solo™ contains pure artemisinin for targeted immune support, and to promote healthy NF-kB levels. Our artemisinin is the active constituent derived from the herb, *Artemisia annua* (sweet wormwood), which has been used for centuries for its health-promoting properties. To provide a 100% vegetarian formulation, this product is encased in a vegetarian capsule.

Suggested Use

As a dietary supplement, take 1 or 2 capsules one or two times daily, away from food and iron or as directed by a health care practitioner.

Cautions

Not indicated for pregnant or nursing women. Long term administration (greater than one month) should be monitored by health care practitioner and include liver enzymes and hemoglobin testing. Detoxification reactions may be experienced by some individuals.
