

Product No.: RN140

TocoPure™ D&G

Cardiovascular, Immune & NF-kB Support

Supplement Facts

Serving Size: 2 Softgels
Servings Per Container: 30

Amount Per Serving	% Daily Value**
Tocotrienols	250 mg *
(As DeltaGold® 90% d-delta tocotrienol and 10% d-gamma tocotrienol)	

** Percent Daily Values are based on a 2,000 calorie diet.
 † Daily Value not established.

Other Ingredients: Gelatin, glycerin, purified water

Features & Benefits

TocoPure™ D&G is pure tocotrienol derived from the beans of the annatto plant. The benefit of annatto derived tocotrienols is that they contain 100% delta and gamma tocotrienols and no tocopherols (which may reduce the absorption of the potent tocotrienol compounds). The power of pure tocotrienols, especially high levels of the delta and gamma tocotrienols includes

promoting healthy cellular apoptosis, supporting normal LDL cholesterol levels and cytokine activity (supporting NF-kB management). As an extremely powerful antioxidant, pure tocotrienols play a key role in maintaining cellular membrane health.

Suggested Use

As a dietary supplement, take 2 softgels daily, preferably with a meal (preferably dinner, as product is best absorbed when consuming dietary fat) or as directed by your health care professional.

Cautions

None known.

Each Softgel Includes:

Features	Constituents/Actions	Benefits*
Pure Tocotrienols	90% Delta tocotrienol 10% Gamma tocotrienol	<ul style="list-style-type: none"> Promote healthy cellular apoptosis Support normal LDL cholesterol levels Potent compounds promoting healthy cytokine/NF-kB activity Acts as an antioxidant in the body
Annatto-plant derived	Delta & Gamma isomers (compounds within tocotrienols) No tocopherols	<ul style="list-style-type: none"> Optimal absorption & health benefits when consumed away from tocopherols (more standard form of Vitamin E)
