

Product No. RN101

NT Factor[®] Energy

Mitochondrial Support Formula

Supplement Facts

Serving Size 2 Tablets Servings Per Container 45		
Amount Per Serving		% Daily Value**
Vitamin E (as d-alpha tocopheryl acid succinate)	17 mg	110%
Calcium (from Mitochondrial Pro Regulator™ Blend)	143 mg	11%
Phosphorus (from Mitochondrial Pro Regulator™ Blend)	49 mg	4%
NT Factor[®] Proprietary Blend: NT Factor Lipids[®] (Pat.No. 8,877,239), Fructo-oligosaccharides, Rice Bran Extract, Opti MSM [®] , Bromelain, Sulfur, Pantethine, Inositol, L-Arginine, L-Glycine, Taurine, Alpha Lipoic Acid, Garlic, Spirulina, Beet Root Fiber, Bifidobacterium bifidum, Leeks Stem powder, Lactobacillus acidophilus, Blackstrap Molasses, Boron (as Bororganic™ glycine).		
	1,500 mg	†
Mitochondrial Pro Regulator™	355 mg	†
Opti MSM [®] , Calcium (as dicalcium phosphate, calcium citrate and calcium pyruvate), Phosphorus (as dicalcium phosphate).		
Krebs Cycle Glucose Absorb™	180 mg	†
Alpha-Ketoglutaric acid, L-Tyrosine		
RN Fatty Acid Metabolizer™	128 mg	†
L-Carnipure [®] L-Carnitine L-tartrate, Pantethine (a Coenzyme A Precursor)		

** Daily Values are based on a 2,000 calorie per day diet.
† Daily Value not established

Other ingredients: Vegetable stearic acid, croscarmellose sodium, calcium palmitate, microcrystalline cellulose, silicon dioxide and pharmaceutical glaze.

FREE OF: egg, fish, peanuts, crustacean shellfish, tree nuts, wheat, yeast, gluten, casein, beef, pork, artificial sweeteners, colors or flavors.

Product contains ingredients derived from soy.

Features & Benefits

NT Factor[®] Energy promotes mitochondrial membrane repair, improving nutrient delivery to the mitochondria for healthy energy. This stabilized phospholipid matrix, wrapped in pre and probiotics is optimized with nutrients for mitochondrial regulation, glucose absorption and fatty acid metabolism. **Maximum potency formulated for optimized absorption.**

Suggested Use

Two tablets with each meal (6 tablets per day) for the first two months, and one tablet with each meal in month 3 and beyond. For severe fatigue, increase to three tablets with each meal (9 tablets per day) for the first two months, and one tablet with each meal in month 3 and beyond. **It is important to keep with the protocol for the first two months so that enough cell membranes are repaired --- which will allow the patient to feel the difference. This equates to 2 bottles per month for each of the first two months, and 1 bottle per month thereafter.**

Cautions

None known.

Each Tablet Includes:

Features	Constituents/Actions	Benefits*
NT Factor Maximum Potency™	<ul style="list-style-type: none"> Polyunsaturated phosphatidylcholine, glycolipids & other polyunsaturated phosphatidyl nutrients; Bifido and Lactobacillus bacterium freeze dried and microencapsulated in a state of suspended animation with potential to form healthy microflora colonies; Growth Media to support microflora colonies 	<ul style="list-style-type: none"> Highest potency available Restores membrane health, function, fluidity, and potential (versus antioxidants which only slow down the rate of new damage) Increases energy and mental clarity Increase nutrient absorption from food
Mitochondria Pro Regulator™	<ul style="list-style-type: none"> Proprietary blend of calcium, phosphorus and magnesium 	<ul style="list-style-type: none"> Optimizes mitochondrial function
Krebs Cycle Glucose Absorb™	<ul style="list-style-type: none"> Proprietary blend of Alpha-ketoglutaric acid and L-Tyrosine 	<ul style="list-style-type: none"> Propels the burning of glucose, creating energy and removal of excess ammonia which can cause fatigue
RN Fatty Acid Metabolism™	<ul style="list-style-type: none"> Proprietary blend of L-carnitine, L-tartrate and pantethine 	<ul style="list-style-type: none"> Maximizes ATP production by regulating fatty acid buildup which, if left unchecked, reduces mitochondrial function and increases cellular toxins
Vitamin E	<ul style="list-style-type: none"> Natural vitamin E (d-alpha tocopherol) 	<ul style="list-style-type: none"> Natural antioxidant for nutritional support
