

Product No. RN116

Transfer Factor PlasMyc™

Targeted Immune Support for Fatigue

Features & Benefits

Transfer Factor PlasMyc™ provides the physician with a targeted formula developed to support the body's immune system.

Suggested Use

As a dietary supplement, take two capsules once daily, with or without food, or as directed by your health care professional.

Week 1: one gelcap per day

Week 2 & beyond: two gelcaps per day

Cautions

Due to elevated TH2 during a pregnancy state, from a conservative standpoint, it may be best to avoid use of transfer factors in pregnant women.
