Manufactured without eggs, fish, crustacean shellfish, tree nuts, peanuts, wheat, soy, corn and gluten. Produced in a facility that may process other ingredients containing these allergens.

Features & Benefits

Transfer Factor Multi-Immune™ provides an advanced comprehensive immune support formula, promoting healthy natural killer cells, macrophage, T-cells, and cell division. Product may be used as a daily-use supplement to promote and maintain healthy natural killer cell function as well as providing additional support to the immune system during acute health challenges.

Suggested Use

As a dietary supplement, take three capsules once daily, with or without food, or as directed by your health care professional.

Cautions

If pregnant or nursing, consult your health care professional before use.

Each Capsule Includes:
